"Loosen Up with Aquamedia Painting 2" - 3 Days

February 22-24, 2010, 9am-4pm

Back by Popular Demand! Robert Burridges is returning with his ever popular *"Loosen Up"* workshop. A workshop that nurtures individual success and personal enrichment with a big emphasis on daily painting projects at your own pace. It is stress-free, but be warned...*you could end up with too much enthusiasm for painting*. Designed for the professional painter who is stuck in a style...or a novice who wants to conquer their fear of painting. Robert's positive approach will inspire you to loosen up, have fun again, and paint more! Expect an intense, concentrated and lively workshop where you will create many works of art using spontaneity for maximum effect. This workshop has become a must for artists who want the confidence and permission to paint the way they have always wanted to paint.

Students will take home preprinted notes of useful and need-to-know information. A positive attitude is a must! Burridge's newest color wheel technique is also included.
