Judy Morris

"Still Life with Glass and Silver"

A 4-Day Workshop - All Skill Levels

November 17-20, 2009, 10am-4pm

Judy is back for another workshop in Springfield! Her workshops are usually full, so sign up early so you don't miss this class.

Judy has conducted painting workshops on locations throughout the country and in Canada, Mexico, England, Switzerland, Italy and France. Her paintings have received more than forty national and regional awards and have been included in exhibitions sponsored by AWS, NWS, the Northwest Watercolor Society, Watercolor Society of Oregon, and numerous others. Her work hangs in public and private collections from California to New York, Canada to Mexico, and in Europe. She is also the author of *"Watercolor Basics: Light"* published by North Light Books.

In this special workshop, Judy will share with you the techniques she uses to capture the essence of silver and glass in a still life arrangement. These techniques will enable you to effectively represent all sorts of highly reflective and transparent surfaces in your paintings. She will teach you the important aspects of design and color, and perform daily demonstrations followed by student practice time with one-on-one instruction and critique.
