## Eric Wiegardt, *AWS, NWS* "Watercolors Free and Easy"

A 4-Day Workshop - All Skill Levels

February 14-17, 2011, 9am-4pm

Eric Wiegardt, *AWS, NWS*, is a nationally known, award-winning watercolor artist. He has been a professional painter and teacher for over twenty years and has juried many competitions. Eric is author of the book, *Watercolor Free & Easy*, and is featured in many books as well as most major

watercolor magazines. He is a graduate of the American Academy of Art in Chicago.

During his 20-plus years of teaching, Eric has identified several common design problems that students of all skill levels often need assistance with. In this workshop, Eric will address these issues. He will perform daily demos to share with you his use of vibrant color and bold, fluid brush statements.

This workshop will encourage you to paint loosely, eliminate unnecessary detail and construct a beautiful painting in one sitting. Eric will encourage you to see beyond reality, using the watercolor medium to express yourself as an individual and to venture out of your comfort zone. Each student will receive individual instruction in a relaxed atmosphere.
