

# Emerald Art Center presents;

## Painting Historic Homes

Offered by Channing Rudd

Participants will sketch and paint historic homes in Eugene and Springfield under the gentle direction of Channing Rudd. If there is inclement weather, we will work indoors the Emerald Art Gallery, otherwise work will be Plein Air on location. Students will need some experience in their chosen medium. A supply list and instructions for the first class will be sent upon registration.

Artists may choose their favorite medium: oil, acrylic, pastel, colored pencil, mixed media or watercolor.

Channing has an MFA, has been an art director and lifelong artist, teaching in the public and private arenas in New York, Florida, and California before moving to Eugene.
