

Pastel, 20 x 30 by Instructor Ellen Lea

## Clouds! Skies! Sunsets!

Strengthen your techniques for edges, shapes, light, values, perspective & color. Working bigger, 16 x 20 or larger canvases, or sheets of paper, your choice, will allow compositional layers with a sense of freedom. We will use reference photos for the subject (yours, mine, or taken from the web). Choose your own medium (you should be familiar with it). Oil, watercolor, acrylic, pastel, etc., all work well with this subject matter. This subject is both abstract and realistic.
